Above are the tables of automobile companies reporting their sales numbers for the month of June 2018. From the above tables we can see that most of the automobile companies including two wheelers, passenger vehicles and commercial vehicles, all have continued to report good set of numbers in the month of June. Most of the companies have continued to maintain a good export which indicates the demand from the international markets is also strong.

Escorts, which is chiefly into tractor sales, surpassed the industry with very good set of monthly numbers with a growth of 73% Y-o-Y followed by Bajaj Auto whose total sales too jumped by good 65% Y-o-Y.

Exports of all the automobile companies except Maruti has risen across sector with Escorts exports surged by whopping 110% Y-o-Y followed by strong exports from M&M of 87% Y-o-Y. This is the second consecutive month where the tractor exports have surpassed the industry.

Amongst the two wheeler companies, Bajaj Auto sales number surpassed the industry by reporting total sales growth of 65% Y-o-Y followed by TVS Motors whose total sales grew by 27% Y-o-Y and Eicher Motors whose total sales grew by 18% Y-o-Y.

Maruti, which has the largest market-share in the passenger vehicle segment, reported for the first time in 7 months with exceptionally good sales growth of 36% Y-o-Y, However, exports de-grew by 29% Y-o-Y.

With the impetus push given by the present government for infrastructure development, we feel, commercial segment will continue to lead in the auto space followed by the tractor companies. Hence we have a buy on dips approach for Tata Motors, Ashok Leyland, Escorts, M&M and Bajaj Auto.
